Geological Field Trips Information

88th EFG Spring Council Meeting – Milos, Greece

13 - 17 May 2026

Important Note

For those participating in the geological field activities, please ensure you are equipped with appropriate outdoor attire. To ensure your safety and comfort during the excursions, we highly recommend:

Footwear: Sturdy, closed-toe hiking boots or robust athletic shoes suitable for uneven and rocky terrain.

Clothing: Comfortable, weather-appropriate layers and long trousers.

Sun Protection: A hat, sunglasses, and sunscreen are essential.
